PALISADES HIGH SCHOOL BOOSTER CLUB, INC., A California Nonprofit Corporation

501(c)3 - Fed. Tax

Dear Palisades Charter High School Families and Friends,

Welcome to Palisades Charter High School, a Best High School *U.S. News & World Report* Charter 2017, an American Most Challenging High School *The Washington Post*, a California Distinguished School, and a California Gold Ribbon School. We are glad you are here.

For over 50 years the Palisades High School Booster Club has been working with school administrators, faculty and students to enhance the learning environment for all students at Pali High through extra-curriculars and academics not covered by the school's operating budget. The Booster Club supports enriching programs that immediately and directly benefit the Pali High student body and inspire their future success.

The Booster Club's Annual Giving Campaign directly funds projects and programs for students and teachers to implement immediately. We invite you to join us in evaluating grant requests. We meet on the last Tuesday of every month in the Pali High library. Each year we distribute grants for students and faculty projects of all kinds: arts and music, athletic teams (uniforms and equipment), student clubs and leadership, safety and security, computer science, technology and equipment, teaching tools, professional development, field trips and competitions, the college center and college fair, and so much more to develop opportunities to grow (see them all on our webpage at www.palihighboosterclub.com).

Together we can close the gap between what California provides and what it really takes to educate our students in an enriched school environment. With your generosity and your boost, we can continue to make a positive difference for every Pali High student.

Thank you in advance for being a Booster in our Annual Giving Campaign. Your donation, of any size, is meaningful and will go a long way to enriching student experiences and achievements at Pali High. School needs are constantly evolving and thanks to your generosity, the Booster Club can commit resources for day-to-day needs, projects and programs that will impact the learning environment, and Pali High's academic success.

Be a Booster! Please donate what you can today. Monthly or quarterly payment plans are available. Simply go to the link www.palihighboosterclub.com to make your gift online or mail to PO Box 223 Pacific Palisades, CA 90272. Please ask if your employer can increase the value of your donation through a company matching gift program.

You are invited to the Booster Club's Kick-Off Party - please mark your calendar:

**Tuesday, August 29th 6:30 P.M.
1040 N. Bundy Drive, Brentwood**

We are excited for the coming year and warmly welcome you in joining our community!

Sincerely,

Palisades High School Booster Club
